Subject: EXPLO Systems, Inc. Conference Call - Wednesday, January 30 @ 2 PM
Date: 01/28/2013 01:12 PM

Hello everyone,

I am awaiting confirmation on some contact information from a few people who called in for our meeting last week on EXPLO Systems. Once I have the correct contact information I will send the list to everyone. We proposed a weekly call to keep everyone in the loop on the operational status and current issues at EXPLO Systems and Wednesdays at 10 am or 2 pm was proposed. Several of you said 2 pm worked with your schedule. Please reply if 2 pm doesn't work for you. I'd like to have a representative from each of the agencies at each call. I will send out my conference call number as soon as we've decided on a time that works for most/all of us. Also, please provide any topics you wish to discuss. Topics I feel should be discussed are:

Operational updates
New/Ongoing Issues/Needs/Action Items
Status update from each agency
Future Needs (Planning)

A more formalized agenda will be provided as well as the conference call number. This will be more of a technical call and attorneys will not be participating. However, please speak with your respective legal counsel about the topics on the agenda so each representative will be prepared to provide updates for their respective counsel.

Thank you very much for your dedication in resolving the ongoing issues at EXPLO Systems. I

Paige Delgado
Federal On-Scene Coordinator
Prevention and Response Branch (6SF-PO)
U.S. EPA Region VI
